Woodworth's Guards Co C. 104<sup>th</sup> regiment New

## The 3. brother story

William Hinds found three Woodworths, (Walter, Henry & Recompense) living within a few miles of each other in Massachusetts Bay Colony, at the same contemporaneous period. No. 1. made a freeman (i.e. one of those who selected town & other officers not appointed by the Crown) in 1640. No. 2. made freeman (May 10<sup>th</sup> 1643. and Recompense B.A. died July 12<sup>th</sup> 1679. Recompense was a college graduate with the degree of B.A. but his name is not given with the graduates of our college, so if a graduate, he was a graduate of an English college; & consequently not a child when he came to this country (say 20 yrs old) about or in 1630. If he was one of the three brothers He died July 12

1679. In the examination of hundreds of histories, I have found ~~no~~ the names of our other names, Woodworths anywhere in this country, at any where near this period these three men appear to have lived from about 1605 to 1679. I don't know when Walter's children were born but his Grand child by what appears to be his second son, was born in 1658. (William Hinds in a letter to his mother)
